

INVITATION

On behalf of the board, the organizing and scientific committee's of Perfusion Downunder (PDU), it is with great pleasure that we extend our invitation to you to participate in our "Winter Meeting 2007" on beautiful Hayman Island, Whitsundays, Queensland, Australia, 09th- 12th August 2007

Through the both formal expert lectures and a meeting format designed to optimise informal interaction between attendees and the faculty, registrants will acquire an understanding of current research into the interactions of the inflammatory response and the nature of emboli in relation to the cardiopulmonary bypass patient to apply appropriate treatment strategies. The registrant will be able to identify directions for research into areas of current regional interest in cardiopulmonary bypass and recognise the benefits and limitations of multicentre trials and databases for such purposes.

On behalf of Tim Willcox
Chairman for Perfusion Downunder
