PDU 2021 Cancelled

PDU 2022 Locked and Loaded

The PDU committee has decided to postpone PDU 2021 until August 2022. This difficult decision was made for us on the 20th July 2021 in light of announcements made in Australia, and now the 2 month NZ border closure. We would like to acknowledge all of the work that has been put into this year's programme from our faculty who have already signed up for 2022.

We will be including an additional day to next year's conference in light of having to postpone PDU twice.

**PDU 2022 will be 10th – 13th August 2022
in Queenstown**

“SAVE THE DATES”.

If you have registered then you will have received an email advising you of your options; if you booked accommodation through the PDU website it will be cancelled for you. Contact Berni Tackney with any queries
